INTERACTION VISIT BY HIGHER DEFENCE MANAGEMENT COURSE

Dear Mr Sanjay,

1. This is to place on record my highest appreciation for the most enriching and professional interaction that my team had during their visit to your esteemed organization on 09 Dec 2019. The professionalism, enthusiasm and pride in the work culture of Patton International Ltd was adequately displayed by your team led by Mr Sumit Goyal, President Operations, during the presentation and tour of factory. Our directing staff and participant officers of HDMC-15 have highly appreciated the interaction with your team and recommended similar interactions in future too.
2. Patton International Ltd is doing a great service to the nation by embracing modern manufacturing technology, innovative R & D and unique style of HR management. This would not have been possible without an inspiring leadership, teamwork and a progressive organization culture based on cultural values and ethos. I compliment you and your team for all your achievements and wish you all the best in all your future endeavors. I also look forward for more interactions between our organisations for mutual learning and benefits in the future.

With warm regards
Yours Sincerely
Pandey
