KEY FEATURES

- Crafted from 100% virgin material for utmost purity and safety.
- Made with FDA approved food-grade plastic to ensure the highest standards of hygiene.
- 100% UV Stabilized, providing long-lasting durability even under harsh sunlight.
- Fungus resistant, safeguarding the water quality and purity.
- Corrosion resistant for enhanced longevity and reliability.
- Manufactured to ISI specified standards, guaranteeing superior quality and reliability.
- Odour resistant, ensuring that your water remains fresh and untainted.
- Foam insulated to maintain optimal temperature and prevent heat loss.
- Aesthetic looks for a visually appealing addition to any environment.
- Multiple ribbed design for added strength and structural integrity.
